

IPPS 2011

International Panel Products Symposium: 5-6th Oct 2011, Llandudno, Wales

Invitation and Call for Papers

BC are pleased to invite you to the International Panel Products Symposium 2011. The leading technical conference in wood based panels and novel panel products.

We are seeking abstracts for high quality technical and research papers in the field of panel products for oral presentation or display as posters at the event.

This year the IPPS conference returns to Llandudno on 5th and 6th October. The call for papers is now open.

The event will present a wide range of research and industrial expertise in wood based panels and novel panel products. The conference attracts a wide audience from across the globe, and both academic and industrial experience. Join us at IPPS 2011 to network, get up to date and find inspiration from discussing the state of the art and the art of the possible.

Interested in presenting a paper at this year's conference? The editorial team will be pleased to receive abstracts for papers and poster presentations in the following areas:

- Resin systems and novel formulations
- Recycled and novel fibrous feedstocks
- Processing technologies
- Pre-processing, fractionation and pre-treatments
- The built environment and other end uses
- Chemical composition, visualization and microstructure

Abstracts should be up to 600 words in length, and received by 20th May 2011. Papers will be presented orally in English and included in the conference proceedings if received before 15th July 2011. A selection of high quality papers will also be published in a conference edition of the International Journal of Wood Products.

Abstracts can be sent to **The Conference Organiser, IPPS 2011, The BioComposites Centre, Deiniol Road, Bangor, LL57 2UW, U.K.** Alternatively email your abstract to ipps@bangor.ac.uk
