## How to find us

### By car

Leave the A55 at Junction 11 and follow signs to Bangor.

Pass Llandygai industrial estate and Port Penrhyn. The University Science Site is located just after the Post Office on the right hand side of Deiniol Road. Park in the main car park opposite the science library. Once on the Science Site, make your way into the 10 storey Alun Roberts Building. Our general office is situated on the 8th floor and signposted from the lifts.

Please Note: Access to the car park is restricted. Contact us for the access barrier code and to arrange a car parking permit before you set off.

### By train

Bangor is on the main London to Holyhead rail line. Several direct Virgin services run daily through the midlands. A direct trans-Wales service, operated by Arriva, runs between Cardiff and Holyhead.

### By air

Liverpool John Lennon and Manchester International airports lie just one and a half hours' drive from Bangor.
